Attached for each office are two copies of a letter and a Department of Justice form, DJ-118, received by the Deputy Attorney General from Harold Weisberg, under the provisions of the Freedom of Information Act.

Each office should review its files for information pertinent to Weisberg's allegations and indicate reports or other communications in which pertinent information appears. If field office did not have film, so state. If film in field office possession at one time, state date and circumstances of disposition.

Handle immediately and submit results within three days of receipt of this airtel.
